

**World Premiere of the New Cirque du Soleil Show in Berlin  
ALIZÉ Opens November 2025 at Theater am Potsdamer Platz  
First Permanent Cirque du Soleil Show in Europe**

**Berlin, November 18, 2024** – Cirque du Soleil announces the world premiere of its first permanent European show, **ALIZÉ**, set to debut in November 2025 at the Theater am Potsdamer Platz in Berlin. This brand-new production takes audiences on a journey into the invisible, blending groundbreaking acrobatics with breathtaking magic - an adventure that transcends the limits of imagination.

Presented and co-produced by Live Nation, tickets for this highly anticipated show will be available for pre-sale starting November 22, 2024.

**ALIZÉ** marks Cirque du Soleil's 54th original production and its first permanent residency in Europe - a significant milestone since the company first set foot in Germany 30 years ago. Since Saltimbanco ushered in a new era in 1995, 16 Cirque du Soleil productions have toured through 16 cities across Germany, performing under the Grand Chapiteau and in Major arenas. With its cosmopolitan spirit and global cultural appeal, Berlin has been chosen as the ideal location for Cirque du Soleil's first-ever permanent show in a European metropolis. Through **ALIZÉ**, Cirque du Soleil seeks to celebrate and deepen its long-standing connection with the city of Berlin.

In this bold and imaginative new creation, where acrobatics and illusion seamlessly merge, the protagonists embark on a journey through a surreal world. Their quest: to reveal the invisible and uncover the hidden magic that lies just beyond the surface of reality. This poetic voyage is filled with wonder, mystery, and enchantment—inviting audiences into a realm where the impossible becomes possible and the unseen reveals its secrets.

Captivating acrobatic performances and magical visual artistry blur the lines between reality and imagination. **ALIZÉ** is a celebration of the magic of humanity, inviting audiences to immerse themselves in a universe filled with fantasy and wonder.

The Theater am Potsdamer Platz will be transformed to meet the unique technical requirements of this permanent production.

Cirque du Soleil's first permanent show in Europe will open in November 2025 at the Theater am Potsdamer Platz.

Performances will take place on Wednesdays at 6:30 PM, Thursdays at 7:30 PM, Fridays and Saturdays at 4:00 PM and 8:00 PM, and Sundays at 1:00 PM and 5:00 PM.

There will be no performances on Mondays and Tuesdays.
